

Embers Fire & Safety

CERTIFICATE *of* INSPECTION

This certificate is to confirm that the fire alarm system at

3111 Varsity

3111 34 AVENUE NW, CALGARY, AB

Has been inspected in conformance with
CAN / ULC-S536/S537- Standard
for the Inspection of Fire Alarm Systems

Please refer to the associated report for details of this testing as there may be some devices that were not accessible at the time of the test.

This certificate is issued because the fire alarm system functioned as installed. It does not imply or suggest in any way that the fire alarm system has been installed to or meets any particular installation standard or code.
